JCB Access has not tested the 'Overwatch' system and cannot confirm whether this system will properly interface with JCB Access Platforms. The 'Overwatch' system may affect critical safety systems built into the JCB Access Platforms by design. If you install the 'Overwatch' system onto the JCB Access Platform you do so at your own risk.

The entity installing the 'Overwatch' system is responsible for the installation and integration of the 'Overwatch' system on the JCB Access Platforms.

EQSS is responsible for the continued functionality of the 'Overwatch' system including ensuring the modified JCB Access Platforms comply with all applicable laws, including obtaining appropriate third-party certification (where required).

Any originally installed component of the JCB Access Platform that is modified by installation of the 'Overwatch' system may void the warranty for that or any other affected components. Any unaffected component is still covered under the original manufacturer's warranty.

All operators of the JCB Access Platforms must follow all safety rules and guidelines from the operator's manual. Training or guidance on the installed 'Overwatch' system is in no way intended to replace proper operator training for the JCB Access Platforms. The operator is responsible for reading, understanding, and complying with the operator's manual and any effect the 'Overwatch' system has on the operation and safety system of the JCB Access Platforms as manufactured and designed by JCB Access.

A copy of this letter must accompany the JCB Access Platform operator's manual.

This conditional approval is only valid for the current version of the EQSS Model 6253 Overwatch device.

Hold Harmless

In consideration of JCB Access's authorization in this letter, the owner of the JCB Access Platform hereby agrees to indemnify and hold harmless, in full and on demand, JCB Access against any and all liability, claims, suits, losses, costs and legal fees caused by, arising out of, or resulting from the approved modification of JCB Access Platform; any negligent act in the operation of the JCB Access Platform by the owner, user and/or operator; the failure to comply with the criteria set forth in this letter related to the modification; the design, manufacture and installation of any modification; the safety rules and operating instructions in the operator's manual; the design and placement of any safety decals; the operation of the equipment by the owner, user and/or operator; and any negligent act or omission related to the JCB Access Platform, its use or its modification.

BY PROCEEDING WITH THE MODIFICATION AUTHORISED IN THIS LETTER, THE OWNER OF THE JCB ACCESS PLATFORM WHO AUTHORSIED THE INSTALLATION OF THE OVERWATCH SYSTEM AGREES TO THE CONTENTS OF THIS LETTER AND ITS CONDITIONS. IF YOU DO NOT AGREE, DO NOT PROCEED WITH THE PROPOSED MODIFICATION.
